To Whom It May Concern

The Ministry of Foreign Affairs of Sri Lanka has organized a Dialogue on Overseas Sri Lankans as Development Partners. The primary objectives of this programme are three fold namely enhancing ability of Missions to broaden engagement with Sri Lankans living abroad, studying practices of countries with prevailing overseas nationals engagement schemes, and networking all related stakeholders.

Accordingly, the High Commission of Sri Lanka developed a questionnaire to assess the willingness of Sri Lankans residing in Malaysia to join as Development Partners under the Foreign Policy and Economic Diplomacy Dialogue.

The High Commission wishes to receive your responses to the said questionnaire and assure you that your responses will be used only for the purpose of identifying the willingness of Sri Lankans residing in Malaysia as Development Partners and will be kept confidential.

The questionnaire on willingness of overseas Sri Lankans as Development Partners is attached herewith for your reference.

The quality and success of this assessment depends on the validity and reliability of the information that you provided. You are kindly requested to send your genuine responses **on or before 30th November 2019**.

Thank you in advance for your willingness, cooperation and timely responses.
